Suggested route to make the most of your shopping visit to Cowbridge

The main car park is situated at the rear of the Town Hall. From here go to the suggested Start point (shown above) with the Town Hall and Memorial Statue on your left. (Be careful crossing roads) Follow the High St. and just before the crossing you'll find an entrance on your right to **Veritys Court**, whose cobbled alley leads to shops and craft workshops in the **Old Woolbarn**. Return to the High St. then turn right towards **Westgate** as far as Amici's fashion shop before carefully crossing the road.

Continue down the High St. until you see an old stone archway, which is the entrance to the Old Town Hall and starting point for the *Site Seeing* route (shown above). Otherwise, carry on down the High St. Opposite the Town Hall (Start point) is access to an Antiques Centre and café. Cross the bridge towards **The Limes** and **Eastgate** to find even more shops and eating places.

Beyond the flooring shop you can find a hair salon, convenience store and restaurant. Otherwise cross the road and return to the High St. When you reach the Greengrocer, situated next to the river, turn right into **Penny Lane** with its shops, cafes and wooden footbridge (accessible for wheelchairs) which leads to **Willow Walk** and the remaining shops before taking you back to the car park.
